From LoSS:

“Fixture #2 spoiler - It's a bit wet out there!

The second race in the 2018/19 season is at Hadleigh park on Sunday 30th December starting at 10am. A regular venue, I can't imagine anyone getting lost, but if you need it, the postcode is SS7 2PP

Car parking aplenty, but in the spirit if trying to minimise traffic, please car share where possible. Parking is £2 per car to be paid on entry, so please have change ready to save congestion on the gate. Gate opens at 8:30am.

Score sheets will be given to club captains on the day, and a map of the course will be posted tomorrow, but rest assured it contains the best bits of a XC course, and cake. The course is suitable for trail shoes, spikes and wellies. But please, no dogs.”
